Enclosures, one

Forwarded to the Chief Engineer, Public Works Department with the following remarks:--

2. The capital cost of the building viz. Rs.2.112/- as noted in column 8 of the statement does not include any cost for site for the reasons stated in para 2 of the Superintending Engineer's letter No.5739, dated 24th October 1920 typed on the back of the statement.

3. The average maintenance charges as entered in colum 12 are not susceptible of check in this office since the average is based on outlay incurred on the building not by the Public Works Department but by the Local body, vide para 3 of the Executive Engineer's letter quoted in para 2 above.

4. The provision of ½% for "special repairs" as noted in column 11 of the statement requires the approval of the Chief Engineer as laid down in para 325 Rule I(e) (i) of the Public Works Department Code, Xth Edition.
